

# God is good, all the time!

November 2011

## Thanksgiving

Although the exact origins may be questioned, many Americans think about the 1621 autumn feast between the Pilgrims and the Wampanoag Indians as the first Thanksgiving Feast. It wasn't until 1863 during the Civil War that Thanksgiving was declared a national holiday by Abraham Lincoln. On the last Thursday of November, we take the time to enjoy families, special events, football and of course food. We need remember that everyday should be "Thanksgiving" when we serve God. We should be thankful for the blessings, seen and unseen, that He has provided for us. Remember that God is Good All the Time, not just during the "Holiday Season."

## Mission Possible Food Pantry

It is getting to be that time of year when the days get shorter, there is a nip in the air and people think about times with their family. Most of those times we spend with our families in the fall revolve around food and being "thankful." We need to remember though what Jesus taught us in Matthew 25:35-40:

*Sunday School: 10 AM*  
*Worship Service: 11 AM*

All our services are now available through iTunes. This makes it even easier to share God's message with friends and loved ones. You don't need a iPod to listen, and its totally free. Keep an eye out and listen to the announcements because we are also going to be releasing some podcasts from our pastors! Just seach for Cathedral of Praise and Worship in iTunes to find us!

The next youth group night will be November 17. The youth group is intended for children in grades 4th through 12th (ages 10-18). This is a way for our youth to be involved in activities with like minded friends that are of the same age. All of our youth are encouraged to invite a friend!
